National PTA Mission:

The overall purpose of PTA is...

“To make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.

CCCK-8 PTSA Mission:

The purpose of the Coal Creek Canyon K-8 Parent Teacher Student Association (CCC K-8 PTSA) is to:

- foster communication between the home and the school
- provide opportunities for parents to play a part in their child’s education
- enhance the educational atmosphere and experience at CCC K-8

The PTSA does this by partnering with the CCC K-8 staff to organize parent classroom volunteers, sponsor assemblies, underwrite field trips, develop after-school programs, coordinate teacher appreciation activities, lead community events, and raise funds to make our school the best it can be.

Last Year's Goals:

We challenge ourselves to:

- Offer enriched learning opportunities that complement the classroom curriculum. We commit to offering at least one enhancement opportunity to every grade level and in a variety of formats including field trips, assemblies, guest speakers and hands-on experiences. These opportunities offer our children different ways to learn what is being taught in the classroom and will help bring some new and diverse topics and experiences to our children.
- Increase male participation in our school's annual volunteer opportunities to 30 volunteers, a 30% increase from last year's male volunteers. When fathers are involved in school, children learn more, perform better in school, exhibit healthier behavior, have fewer discipline problems, are more likely to participate in extracurricular activities and enjoy school more. - MET
- Launch the Three for Me program to expand our pool of volunteers for the school. Our goal is to have 100 commitments (60% of enrollment) and 90% fulfillment of those commitments. Volunteers expand our ability to meet the learning needs of our students and lighten the workload of the staff so they can focus on teaching! Once volunteers understand the variety of ways they can contribute to the school and have successful and meaningful experiences, then our school, staff and students will benefit from a diverse and deep volunteer pool throughout the school year. - MET
