- 7:30 Adjourn PTSA

National PTA Mission:

The overall purpose of PTA is...

“To make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.

CCCK-8 PTSA Mission:

The purpose of the Coal Creek Canyon K-8 Parent Teacher Student Association (CCC K-8 PTSA) is to:

- foster communication between the home and the school
- provide opportunities for parents to play a part in their child’s education
- enhance the educational atmosphere and experience at CCC K-8

The PTSA does this by partnering with the CCC K-8 staff to organize parent classroom volunteers, sponsor assemblies, underwrite field trips, develop after-school programs, coordinate teacher appreciation activities, lead community events, and raise funds to make our school the best it can be.

All School Field Trip

Field Day

Book Swap

8th grade continuation

Tie Dye Day

5/25 – Last Day of School

July

4th of July parade/booths/games

Summer Officer & Committee Chair Meeting

Last Year’s Goals:

We challenge ourselves to:

- Increase male participation in our school’s annual volunteer opportunities to 40 volunteers, a 30% increase from last year’s male volunteers. When fathers are involved in school, children learn more, perform better in school, exhibit healthier behavior, have fewer discipline problems, are more likely to participate in extracurricular activities and enjoy school more. - **MET**
- Offer enriched learning opportunities that complement the classroom curriculum. We commit to offering at least one enhancement opportunity to every grade and in a variety of formats including field trips, assemblies, guest speakers and hands-on experiences. We also commit that at least three of these enrichment opportunities will be field trips. These opportunities offer our children different ways to learn what is being taught in the classroom and will help bring some new and diverse topics and experiences to our children. - **MET**
- Offer at least four family feedback opportunities during the school year in a variety of formats, including but surveys, website forms, and public forums. If the school offers a parent feedback opportunity, we will promote it to the PTSA community. In order for us to meet the needs of our school community, we need to know what they are. Parents have direct insight into how the school impacts their students and our community. Parent feedback reveals opportunities for us to improve as an organization and as a school.

We want parents to intrinsically know that they have a voice in our school. As part of this goal, we will seek opportunities to measure the amount of feedback we receive so we can increase it in future years. - MET

- Develop at least one parent and guardian group to support families in their effort to support their student's education and experience at our school. It could be around homework help, development of individualized educational enrichment opportunities or advocating for student needs. We would prioritize the topic based on demand from the family community. By providing the forum for parents to get together to support each other, share ideas and learn how to help their students, we will develop stronger community and improve the learning experience of our kids at our school. - MET
