 - Alternative Fundraising:
 - WHEN should we do it?
 - Any variation to the below?
 - Discussion: Couldn't hurt to try, some people would get a kick out of it, would it be instead of something, or just in addition? Probably will be the same small set of people donating, though. General dismay at lack of membership, lack of involvement, lack of donations. Need to market the benefits PTSA provides to assemblies and enrichment. No conclusions.

School PTA
Alternative Fundraiser

This fundraiser is in lieu of sending students home with the task of selling door-to door, collecting money, and delivering goods. Please help us avoid that by supporting our PTA with your donation, and helping us achieve our goals to support our students and faculty.

Thank you in advance for your support!

\$15 I do not want to bake, so here is the money I would have spent on those cupcakes.

\$25 I do not want to hit up friends, family, and co-workers, so here is the money I would have spent buying wrapping paper.

\$50 I do not want to walk, swim or run in any activity that has the word "thon" in it. Here is the money I would have spent on my child's "free" t-shirt.

\$75 I don't want to attend any fancy balls, so here is the money I would have spent on a new outfit.

\$100 I really wouldn't have helped anyway, so here is \$100 to forget my name.

\$ I am making this donation to express my appreciation for having nothing to buy, sell, or do except fill out this form.

National PTA Mission:

The overall purpose of PTA is...

“To make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.

CCCK-8 PTSA Mission:

The purpose of the Coal Creek Canyon K-8 Parent Teacher Student Association (CCC K-8 PTSA) is to:

- foster communication between the home and the school
- provide opportunities for parents to play a part in their child’s education
- enhance the educational atmosphere and experience at CCC K-8

The PTSA does this by partnering with the CCC K-8 staff to organize parent classroom volunteers, sponsor assemblies, underwrite field trips, develop after-school programs, coordinate teacher appreciation activities, lead community events, and raise funds to make our school the best it can be.

2015 - 2016 Goals (to date):

We challenge ourselves to:

- Have Eagle Eyes volunteers present at least 70 school days under this new male participation program before the end of this school year. When men are involved in school, children learn more, perform better in school, exhibit healthier behavior, have fewer discipline problems, are more likely to participate in extracurricular activities and enjoy school more.
- Offer at least one new and different method of fundraising than those we have offered in the past. Taking advantage of a year that the school has more discretionary funds than usual, we will experiment with at least one new method of raising funds to support the ways that we typically need to support the school. These funds are critical in most years to fulfill the mission of the CCCK-8 PTSA of bringing enrichment opportunities to the school and supplies for the teachers or facility. As part of this goal, we could explore different kinds of events, formal raffle / bingo capabilities or other alternative fundraising means. This opportunity may replace one of the other fundraising efforts we usually have offered in the past, but we commit that we will not fulfill this goal through finding another product to sell.
