National PTA Mission:

The overall purpose of PTA is...

“To make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.

CCCK-8 PTSA Mission:

The purpose of the Coal Creek Canyon K-8 Parent Teacher Student Association (CCC K-8 PTSA) is to:

- foster communication between the home and the school
- provide opportunities for parents to play a part in their child's education
- enhance the educational atmosphere and experience at CCC K-8

The PTSA does this by partnering with the CCC K-8 staff to organize parent classroom volunteers, sponsor assemblies, underwrite field trips, develop after-school programs, coordinate teacher appreciation activities, lead community events, and raise funds to make our school the best it can be.

2017 – 2018 Goals:

We challenge ourselves to:

- Get at least 20 new volunteers in the Eagle Eyes program and have Eagle Eyes volunteers present at least 50 school days under the male participation program before the end of this school year. When men are involved in school, children learn more, perform better in school, exhibit healthier behavior, have fewer discipline problems, are more likely to participate in extracurricular activities and enjoy school more.

- Increasing participation in PTSA through increased engagement of new people particularly those from the younger grades. We will acquire a minimum of 85 members, and we will average 10 attendees at our monthly meeting. We will engage 25 new volunteers outside of our core active group of the PTSA team and at least 14 of those new people will have students in K-4th grades. Engagement includes participation in meetings, work on specific projects or assumption of an official PTSA board or committee role. Through this increased participation, we will increase our capacity, lighten our individual workloads and welcome more diverse voices to our organization.

- We will support the new Friends of Rachel Club with at least three of their monthly activities as part of the Rachel's Challenge program. In order to continue the efforts to help our students learn about kindness, empathy and compassion, the Club will be planning activities for the students to participate in. The goal is to help reduce bullying, exclusion and other inconsiderate behavior at the school. PTSA will maintain active communication with the Club in order to help them with their efforts in whatever way is needed. PTSA may also help identify activities that either the Club or PTSA/Eagle Eye volunteers could organize to support their efforts.

- We will raise enough funds to support the school in the purchase of 25 more Chromebooks, an estimated expense of \$4375. The school has a goal to eventually have one Chromebook for every student, so that students may become more proficient in the use of technology and have access to the learning resources available in the internet. The Chromebooks have proven to be more durable and effective compared to a laptop or an iPad. A specific fundraising goal will likely also increase contributions to our fundraising efforts
