Tami will communicate to most teachers that they can go ahead and purchase and submit receipts to us for reimbursement.
- Events -
 - Auction date: April 12. Cindy Kolinski will help with soliciting auction items again this year. Jody or Joanna will get a new spreadsheet made.
 - Men make a difference breakfast - Went well, good attendance. Jason thanks everyone. Tea made a list of what we used, so we know how much we need for certain number of people.
 - Screen Free Week - we will do it April 21 - 27. We discussed ideas for after school activities, Lego, reading, cupcake, etc contests, purchasing gift cards for contest prizes, four square, kickball tournaments, a contract the kids sign. Reminder that we can plan a lot, but we need people to help. Lena will ask 8th graders if they want to assist with activities for their project.
